Lafayette Waste Reduction Advisory Committee Meeting
February 6, 2014
Minutes

Call to Order: 6:35 p.m. by Chair Estle.

Attendance: Marjorie Griek, Kristi Chapin, Kathy Wertz, Laura Estle, Julie Klein, & Doug Short. Guest Anna Perks from Eco-Cycle.

Minutes
The minutes of January 2, 2014 were unanimously approved with a motion by Marjie and a second by Kristi.

Eco-Cycle – Lafayette Composting Initiative
Anna reported that over 200 Lafayette citizens have taken the composting pledge. She is setting up meetings with citizens and community leaders to continue this pledge effort. Anna asked the group if they had any suggestions on citizens and community leaders that she should contact. The group then had a discussion about the proposed 3-cart PAYT system for Lafayette and the timeline.

2014 Oatmeal Review
Doug reviewed the attendance statistics provided by the Chamber. Kristi mention that we could use one more frame to hold the compostable bags and Marjie indicated that she will probably have that available for next year. Julie would like to see if the 5K Race could be run as a ZW event and see if the group could muster the needed resources to accomplish this. Laura indicated that the event went very smoothly this year and that the group did a great job.

Recycle/ZW assistance to LOSAC and ANO
Group discussed this support. Kristi will contact LOSAC and Doug will inquire with Susan Booker at the City on what ANO plans were for making their event ZW. Marjie mentioned that she had been contacted last year from the Relay for Life cancer fund raising event about recycling. She will re-contact them and see what could be done this year. Group also discussed doing ZW at the 4th of July event at Waneka Park.

WRAC Goals
Looking at our goals, the group has accomplished a lot. Concerning the business outreach, we will have a presentation next meeting by Stacy Lambright and staff from PACE about the grant study to perform recycling/ZW outreach to Lafayette business. WRAC needs to update their goals and report to Council and are aiming for the 3rd meeting in April. The group decided it would be good to invite Lisa Friend from Boulder County to be updated on the accomplishments of the Boulder County ZW Plan at the same meeting.

Old/New Business
The Board of WRAC is down one member and Doug will place Community announcements in the Boulder Camera, Hometown Weekly and on the City web site.

Anna will attempt to recruit Peach Festival volunteers thru her new network of Eco-Cycle volunteers and pledge participants.

Meeting adjourned at 7:54 p.m. with a motion by Kristi and a 2nd by Kathy with unanimous approval.
