Please Describe

Notice!!!

This permit becomes null and void if work or construction authorized is not commenced within 180 days or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced.

All provisions of laws and ordinances governing this type of work shall be in compliance regardless if specified herein or not. I understand that permits presuming to give authority to violate or cancel the provisions of the above laws and ordinances or permits issued in error or on the basis of incorrect information supplied shall be invalid.

I hereby certify that I have read and examined this application and know the same to be true and correct.
