Lafayette Waste Reduction Advisory Committee Meeting October 4, 2012 Minutes

Attendance: Marjorie Griek, Laura Estle, Jeff Schwartz, Shelly Colwell, Jake Williams, Kelly O'Neill and Doug Short.

Minutes

The minutes of September 6th were unanimously approved with a motion by Jeff and a second by Marjie.

Proposed Sustainability Advisory Committee

Doug brought forth a proposal from the Energy Sustainability Advisory Committee to merge the two Committees into one with a combined broader sustainability focus. Discussion followed with many pros and cons discussed with issues and concerns expressed. WRAC would like two representatives from LESAC to attend either the February or March meeting, which will be the next available meeting that will not interfere with issues and plans currently on the WRAC agenda.

WRAC By-Laws

The group work thru the by-laws with a focus on the purpose of WRAC. Doug will develop a 1st draft for review by the group. We will also need to change the purpose outlined in the WRAC enabling Ordinance to match the by-laws.

Old/New Business

The Fall leaf drop-off program has started at the City Service Center and will run thru November. The PW/WRAC Electronic Recycling event on 9/22 was a resounding success with 18,668 pounds of electronics recycled. Metech ran a great event and the next one is planned for June, 2013. Doug and PW staff Jenny Conlon and Sarah Owsiany toured the Metech facilities and it is strongly encouraged that WRAC also take this tour. Marjie proposed that WRAC do their annual report to Council on December 4th. A PowerPoint will be developed for the group to review. Doug showed the Pixstik that Sarah in PW ordered with the remaining 2012 WRAC funds to help pick out materials of the ZW bins.

Meeting adjourned at 8:00 p.m.
