Garage Sale Rules

A permit is no longer required to hold a garage sale on your property but there are some requirements that you need to follow.

1. Advertising/Signs

- a. Maximum of two (2) signs no larger than four (4) square feet each may be placed on the property where the sale is held.
- b. A maximum of six (6) signs no larger than two (2) square feet each may be placed around Lafayette, however, NO signs may be placed on traffic-control devices (stop signs, signals, no-parking signs, etc.) or light poles.
- c. Signs may be posted 2 days prior to the sale and removed at the end of the last sale date, before the end of daylight.
- 2. No items purchased for resale or consignment may be sold. Only items collected over time by members of the residence may be sold.
- 3. No more than two (2) sales may occur at the residences within a calendar year.
- 4. A sale may occur for a maximum of three (3) days in a row
- 5. The hours of the sale shall be during daylight hours only.
- 6. Sales items may be displayed on private property only. Items cannot be placed on the sidewalk, curb, street or any other public right-of-way.
- 7. The Lafayette Police Department has the right to enter a property that shows evidence of a garage sale for the purposes of enforcement and inspection and may close the sale if it is in violation of the Lafayette Municipal Code.

Have a great sale!
