### Youth Classes/Programs

If you have questions on any of the Little Piggy Sensory Experience classes, please contact Jean Anthony at 720-530-5713 or LittlepiggySensory@gmail. com. Material fee of \$20 paid directly to the instructor at the first class.

#### \*Little Piggy Sensory Experience

lew! = 18 months-3yrs

Location: Starkev Building, 309 S. Public Rd

When was the last time you and your child got completely immersed in a full sensory experience? One that used all five senses? Our children's developing brains need sensory play to form important pathways. In this class you and your child will dig into a fun new sensory activity every week which may include aromatherapy play dough, mood sand and many other messy fun activities. Parents won't leave empty handed as each class will provide ideas for finding sensory activities at home as well. Please come dressed for fun and ready to get messy with Little Piggy Sensory Experiences. .

Science Matters teach children all about the exciting world of science. Start them on a wondrous journey that lasts a lifetime! Classes are stimulating and fun, getting each student personally involved in real cience projects.

#### \*Science Matters Amazing Animation

9-12 yrs 🔞 🐧 🕏 📳

Have you ever wondered how the animators at Disney or Pixar do their job? During this 4-week class you will learn the art of animation by using your iPod or iPad. Each week you will learn to make amazing animations that tell incredible stories using the same techniques that the pros use. This class covers both digital and stop motion animation. Students need to provide their own iPod Touch (4th Generation) or iPad2. You will also need to preload \$10-15 of apps prior to the class. (We will provide you instructions).

Code	R/NR	Day	Time	Date
314290-A	\$100/\$110	Wed	3:45-4:45pm	1/9-1/30

#### \*Science Matters - Kitchen Chemistry

5-12 yrs 🔞 🐧 🕏 📳

What's cooking? Cool science and you! The Kitchen Chemistry Club provides the perfect recipe for fun. Learn the secrets of soda-pop, make your own whipped cream, and many other kitchen concoctions! Put on your chef's hat and "pop" into our lab! Parents – we will be working with food science in this lab including dairy, wheat, and chocolate.

Code	R/NR	Day	Time	Date
314291-A	\$69/\$79	Wed	3:45-4:45pm	2/6-2/27

#### \*Science Matters - Under the Sea

5-12 yrs 🔞 🐧 🕏 📳

Plunge into this club as we submerge into all of the wonders of the ocean. We'll travel way down from the ocean floor up to the sandy shore, discover spectacular sea creatures, collect and classify shells, and much more. Get ready to soak up all the knowledge and adventure of the treasures of the sea.
