**About the Downtown Vision Plan:** The Lafayette Urban Renewal Authority adopted the 2011 Downtown Vision Plan on September 20, 2011. The Vision Plan is a document that sets forth policies for the future of downtown and outlines a strategy to continue the area's revitalization. It is advisory and serves as a guide for public decisions related to development within the downtown area. Since its adoption, a number of recommendations within the plan have been accomplished and LURA is continuing to further the goals of the Vision.
