

Tiny Explorers

November 2013

Dana McWilliams & Lindesy Nelson

• • •

What will we be exploring this month?

- *Leaves, turkeys, apples, pumpkins*
 - *A sensory table exploring corn and rice*
 - *Different objects that we can paint*
 - *Stories and songs about fall and turkeys*
-
- • •

“All young children are great artists. The importance of their art is in the act of creating with confidence and in using their imaginations. It is our sacred trust not to take away this gift from our children, but to encourage and nurture it at every opportunity.”

~ Susan Striker

Wrap-Up

The month of October was exciting for our class. Not only are the kids feeling more comfortable with us, they are having lots of fun playing together! We explored a lot of different fall things like pine cones, pumpkins, gourds, and leaves. Painting is a huge hit in the classroom, so expect to see many more creative art projects coming home!

If your child has a birthday coming up and you would like to have a celebration in class please let one of the teachers know. In order to continue our healthy initiative we ask that parents only plan on sending in fresh fruit and/or vegetables. You are also welcome to skip the food and have the kids complete a fun game or craft.

Thank You

We want to thank all of our parents for sending in such healthy, delicious snacks and water bottles for the children. We were also lucky enough to celebrate two birthdays and had some yummy fruit cups as well as fruit kabobs. The kids devoured them!

Healthy Eating Tip

Fresh, frozen, dried, or canned fruits can be easy “grab-and-go” options that need little preparation. Offer whole fruit and limit the amount of 100% juice served.

choosemyplate.gov

Wish list:

- *Bags of corn kernels*
- *Bags of rice*
- *Flour*
