

**Kind Time**  
By Linnea Peterson

It is the time  
To be so kind.  
Our old lives  
Are now behind.

So let's take  
A big stand!  
Let's only get  
Food boxed and canned.

This is our pose  
So let's stand still.  
We will stand tall and proud.  
We'll get there. We will!

Reading, writing,  
Let's do more.  
So many things  
Left to store.

This happened last  
With the flu.  
Not many things  
Doctors could do!

Video chat  
So much fun,  
Wish the chat  
Would never be done!

Kindness is shown  
From deep inside.  
Fills our hearts with  
Brimming pride.

Let's show courage.  
Let's show love!  
This is the time  
To go above.
